

Form ADV Part 3 – Client Relationship Summary

Date: 03/25/2026

Item 1: Introduction

Burk Holdings LLC, d/b/a Burkholder Wealth Management, Signal Wealth Advisors, and Revive Wealth Management, is an investment adviser offering advisory accounts and services. Brokerage and investment advisory services and fees differ, and it is important that you understand the differences. This document gives you a summary of the types of services and fees we offer. Please visit www.investor.gov/CRS for free, simple tools to research firms and financial professionals, as well as educational materials about broker-dealers, investment advisers, and investing.

Item 2: Relationships and Services

Questions to ask us: Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me? What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

What investment services and advice can you provide me? Our firm primarily offers the following investment advisory services to retail clients: portfolio management (we review your portfolio, investment strategy, and investments); financial planning (we assess your financial situation and provide advice to meet your goals). As part of our standard services, we typically monitor client accounts on a daily basis. Our firm has discretionary management without any material limitations. We limit the types of investments that are recommended since not every type of investment vehicle is needed to create an appropriate portfolio, but do not limit these investments to proprietary products. Our firm maintains a \$500,000 minimum account size for our services. Our firm-specific minimum may be waived in our discretion. Please also see our Form ADV Part 2A ("[Brochure](#)"), specifically Items 4 & 7.

Item 3: Fees, Costs, Conflicts, and Standard of Conduct

Questions to ask us: Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me? How might your conflicts of interest affect me, and how will you address them?

What fees will I pay? Our fees vary depending on the services you receive. Additionally, the amount of assets in your account affects our advisory fee; the more assets you have in your advisory account, the more you will pay us and thus we have an incentive to increase those assets in order to increase our fee. For hourly fee arrangements, each additional hour (or portion thereof) we spend working for you would increase the advisory fee. Asset management fees are typically charged quarterly in arrears, and range from 0.50% to 1.00% of assets under our management. Financial planning fees are typically charged half in advance and the remainder in arrears based on an estimated hourly fee of \$250 - \$500/hour. You pay our fees even if you do not have any transactions and the advisory fee paid to us generally does not vary based on the type of investments selected. Please also see Items 4, 5, 6, 7 & 8 of our [Brochure](#).

Some investments (e.g., mutual funds, variable annuities, etc.) impose additional fees (e.g., transactional fees and product-level fees) that reduce the value of your investment over time. The same goes for any additional fees you pay to a custodian. Additionally, you will pay transaction fees, if applicable, when we buy or sell an investment for your account. **You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.** Please also see our [Brochure](#) for additional details.

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have? When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are some examples to help you understand what this means:

- Our financial professionals can receive commissions in their separate capacity as insurance agents and therefore have an incentive to recommend products that provide them or us additional compensation over those that do not
 - For AUM fees, the more assets you have in your advisory account, the more you will pay us and thus we have an incentive to increase those assets in order to increase our fee
 - For hourly fees, each additional hour we spend working for you would increase the advisory fee and thus we have an incentive for you to agree to have us complete more work for you

How do your financial professionals make money? Primarily, we and our financial professionals receive cash compensation from the advisory services we provide to you because of the advisory fees we receive from you. This compensation may vary based on different factors, such as those listed above in this Item. We may also compensate employees for referrals as a percentage of first year's revenue, which will not result in increased fees to clients. We maintain policies and procedures to ensure that individuals compensated for referrals remain compliant with our policies, procedures, and industry rules and regulations. Our financial professionals also have the ability to receive commissions from clients in their separate capacity as insurance agents and therefore have an incentive to recommend products that provide them or us additional compensation over those that do not. Please also see Item 10 of our [Brochure](#) for additional details.

Item 4: Disciplinary History

Questions to ask us: *As a financial professional, do you have any disciplinary history? For what type of conduct?*

Do you or your financial professionals have legal or disciplinary history? No, we do not have legal and disciplinary events. Visit <https://www.investor.gov/> for a free, simple search tool to research us and our financial professionals.

Item 5: Additional Information

Questions to ask us: *Who is my primary contact person? Is he or she a representative of an investment adviser or a broker-dealer? Who can I talk to if I have concerns about how this person is treating me?*

For additional information on our advisory services, see our [Brochure](#) available at <https://adviserinfo.sec.gov/firm/summary/305300> and any individual brochure supplement your representative provides.
